NOTICE TO ALL MEMBERS AND VISITORS

All members and visitors alike, including passengers, are reminded that their attendance for participation in any club event is of their own choosing and that they accept that they accept full responsibility for their own actions and consequences.

All persons, driver, visitors and passenger alike are reminded that they have a "Duty Of Care" to themselves as well as other, and take all necessary reasonable steps to ensure their own safety and the safety of others at all times.

All members, visitors and passengers are reminded that although the Club attempts to conduct trips and event in the safest possible manner, there are many changing factors and unforeseen circumstances that the Club and it's members have no control over.

Each member, visitor and passenger are the only persons that know their own capabilities, and therefore are the only person who know if they are capable of participating or continuing to participate in a club trip or event. If these persons feel that their vehicle or themselves are incapable of participating or continuing in a safe manner, then they need to withdraw at that time from the trip.

If this happens, the person(s) must notify the trip or event leader or official, by radio or other means of communication, of their intention to withdraw.

Convoy Rules and Procedures are provided by the Club and it's members for the safety and enjoyment of everyone on the trip or event.

Your participation on any Club trip or event is conditional upon you and your passengers, visitors and/or guests accepting the Club Rules, the Convoy Rules and therefore accepting your own liability of your own actions at all times.

Please remember that any trip or event is much more enjoyable when each of us take care, not only of ourselves, but also the safety of others.
